To advance disability-inclusive development and rights.

The Disability Rights Fund and the Disability Rights Advocacy Fund are resourcing, strengthening, and connecting disabled persons’ organizations to contribute to development and the achievement of rights.

**PATHWAY TO CHANGE**

A decade after the adoption of the Convention on the Rights of Persons with Disabilities and with the new Sustainable Development Goals, there is an unprecedented opportunity to ensure that persons with disabilities are at decision-making tables.

Disability movement strengthened to advocate for rights

- Persons with disabilities equipped with skills and knowledge
- Disability movement broad and diverse
- Disabled persons’ organizations engage in other human rights movements

**BUILDING MOVEMENTS**

Persons with disabilities are at decision-making tables

Disabled persons’ organizations participate in human rights and development processes at local, national, and global levels

**DRIVING THE AGENDA**

Rights of persons with disabilities achieved through systems change

Legislation, policy, government and development programs and budgets in accordance with the Convention on the Rights of Persons with Disabilities, ensuring no one is left behind

**ACHIEVING RIGHTS**

Persons with disabilities participate fully in society and enjoy equal rights and opportunities
